

How Do We Approach the Problem? Interdisciplinary Perspectives on the Complexities of Race, Ethnicity, and Religion

How do experts from different fields approach important problems facing us today? Author Moustafa Bayoumi and UNC professors from across campus will discuss the complex issues raised by Bayoumi's book, *How Does it Feel to be a Problem?: Being Young and Arab in America*. Faculty from the sciences and the humanities will join Bayoumi for a dynamic conversation of these issues and questions raised by the audience.
