**Mondays &  
Wednesdays**  
3:35PM-4:50PM

**General Education  
Requirements: LA,  
NA**

This course covers a wide array of artistic media, including literature, film, architecture, and music, to explore key themes and compelling stories in American religious life. The historical and contemporary works we discuss will lead us to broader questions about the role of art as a form of religious expression in American society.
